Dear Parents and Families,

Welcome to Colby!

We are delighted to welcome you and your student to Colby. We trust you already know what a special place this is for students, and we expect you will find that Colby is a special place for families as well. The College community extends beyond those of us on Mayflower Hill. Families also play an integral and important role in College life, and we very much appreciate your engagement.

While this is your student’s Colby experience, and it begins today with orientation, we invite parents and families to participate in the life of the College as fans, friends, and supporters whenever possible. Please visit our parents page (colby.edu/parents) to learn more. We hope you will also follow Colby on your favorite social media channels: on Instagram @colbyparents and @colbycollege, on Facebook.com/colbycollege, and on Twitter @ColbyCollege. In addition, you can visit colby.edu/life to learn more about the many opportunities Colby provides.

If you’re interested in keeping current with campus announcements, events, and more, we encourage you to check out ColbyNow. Available on the App Store, the Google Play Store, and at colby.edu/now, ColbyNow is the central hub for campus communication.

Campus Life and Parent Programs are here to support your engagement with our wonderful College community and are available if you ever have any questions. You can reach Campus Life at 207-859-4280 or via campus.life@colby.edu; Parent Programs can be reached at 207-859-4322 or via parents@colby.edu. We look forward to connecting with you.

Your student has reached an important milestone in life and so have you. Best wishes for the exciting year ahead.
