Welcome to the Class of 2022!

Your ColbyCard ID is an important campus card. The ColbyCard will provide access to residence halls, academic buildings, and the fitness center. You will also use the ID to enter dining halls for meals and to sign out reference materials from the library. Once activated, your card becomes a simple, secure method of payment for all campus services and retail locations such as vending/laundry, postage, coffee shop, and bookstore. Your ColbyCard account offers statements and the ability for you to “Freeze” your account online 24/7 should your card be misplaced or lost.

**Introduction to the "ColbyCard" as Campus Cash**

The ColbyCard works as your personal campus debit card once you add money to your secure card account, and can be used wherever the card is accepted on campus. Card holders also have access to the [ONLINE CARD OFFICE](https://www.colby.edu/colbycard) where they may place their card account on hold if they’ve misplaced or lost their card or to view a statement of their card account activity.

There are several ways to add cash to your ColbyCard account:

- **ON CAMPUS** – Visit one of our 2 Cash Management Centers
- **INTERNET** – Anyone may add cash to a student’s account with a debit or MasterCard & Visa credit card
- **iPhone & Android APP** – Manage your ColbyCard on-the-go via our “eAccounts” apps* including deposits
- **BY CHECK** – You may drop off a check to the card office and we’ll apply those funds to your card account
- **STUDENT ACCOUNT TRANSFER** – If you have a credit on your student account you may request that all or a portion of those funds be transferred to your ColbyCard account without waiting for a check reimbursement to be processed

*Get the Smartphone apps from “iTunes” or “App Store” for iPhone/iPad/iPod & “Market” for Android

For your protection no cash advances will be issued from your account. You may request a reimbursement of the balance of your card account prior to withdrawing from school or prior to commencement.

**Internet Deposits**

Students, parents, and family members who would like to transfer money to a student’s ColbyCard account may use a debit or MasterCard / Visa credit card. Users will first need to know the *Student ID*, *First Name* and *Last Name* exactly as it appears in the ColbyCard system. You may contact the card holder if you do not know one of the 3 required data fields.

To make a deposit visit (after 08/20/2018) [https://colby-sp.blackboard.com/eaccounts/](https://colby-sp.blackboard.com/eaccounts/)
